10
YEARS

Major Structural Defects

The warranty provides full risk transfer of Major Structural Defects to StrucSure Home Warranty from day one through year ten.

5
YEARS

Plaster Defects

The warranty provides full risk transfer of Plaster Defects to StrucSure Home Warranty from day one through year five.

2
YEARS

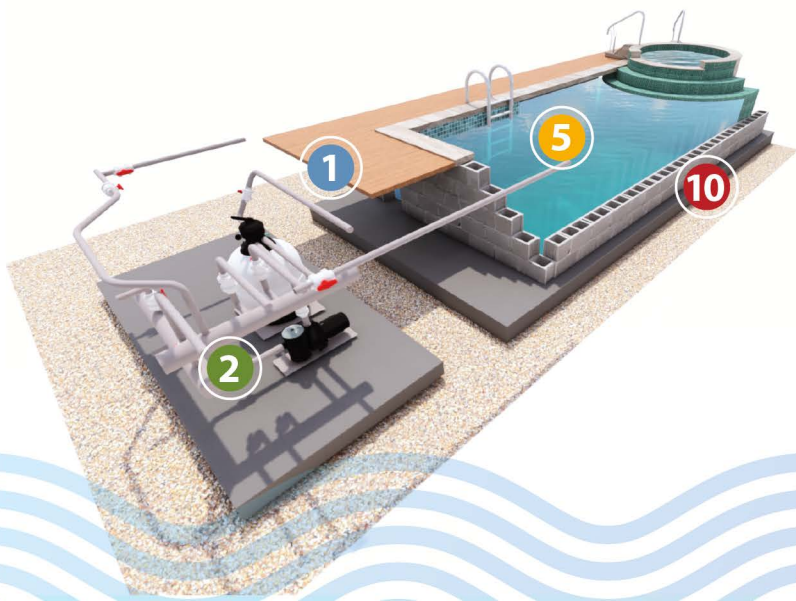

Delivery Systems

The pool builder is responsible for correcting qualifying Delivery Systems defects for the first two years, but if they default or are unable to do so, StrucSure Home Warranty covers the repairs.

1
YEAR

Workmanship

The pool builder is responsible for correcting qualifying Workmanship defects for the first year, but if they default or are unable to do so, StrucSure Home Warranty covers the repairs.

Why Offer a Pool Warranty?

Here's why our pool warranty is the perfect solution for your business:

Comprehensive Coverage: From structural components to essential delivery systems equipment, our warranty provides broad protection if unforeseen issues occur.

Enhanced Client Satisfaction: Offer your clients the added peace of mind that comes with a robust warranty, boosting their confidence in your work.

Financial Protection: Mitigate your liability and protect your bottom line by transferring potential expensive repair costs to us.

Dedicated Support: Our team is here to support you and your clients with a straightforward claims process and exceptional customer service.

StrucSure

HOME WARRANTY

Since 1997, StrucSure Home Warranty, LLC has provided third-party, insurance-backed warranties to builders and other construction-related contractors across the United States.
